Reading 2:

Read the text and answer the following questions.

The fashion and culture of the 1970s are very popular today, but *Life on Mars*, a new police series, reminds us what life was really like then. The story is simple. In Manchester, 2006, a car knocks down Detective Chief Inspector Sam Tyler while he is looking for a killer. He wakes up in 1973. He is still a police officer in Manchester and he is still looking for the same killer. However, the collar of his shirt is a lot bigger and there aren't any computers in the police station.

46. Sam is a police officer in Manchester.

- a) True
- b) False
