Verses from the Holy Quran

"Verily, those who recite the Book of Allah and perform the prayer and spend (in charity) out of what We have provided them, secretly and openly, they hope for a trade-gain that will never perish.

- " When the earth is shaken with its (final) earthquake, and when the earth throws out its burdens, when man will say, what is the matter with it On that day, it will declare its information. "

" So whoever does an atom's weight of good will see it. A whoever does an atom's weight of evil will see it. "

" We created you out of dust, then out of a sperm-drop (Nutfah), then out of a clinging clot (Alaqa), and then out of a chewed like lump (Modgha), formed and unformed

" We cause whatever We want to rest in the womb for an appointed time (inside the womb), We then take you out of the womb as a baby (infancy and childhood). Then you may grow up and receive strength (adulthood), and some of you may then die and others may grow to a very old age."

" Then we made out of that lump bones and clothed the bones with flesh; then we developed it into another act of creation.'

" And your Lord inspired the bee,' Build cells in hills, on trees, and in (men's) habitations. Then eat from every fruit and follow the ways of your Lord, made easy (for you).' Out of their bellies comes a drink of different colors in which there is a cure for people. These are signs for those who contemplate

" Do they not reflect upon the Qur'an? If it had not come from someone other than God, they would have certainly found in it many contradictions."
