اليسار: ▲

- I can see three kids
- I think the children are in backyard playing with dirt
- they don't care much about cleanliness
- Dirt is full of harmful germs

اليمين: ▲

- I can see three kids
- Cleanliness is one way to protect yourself from diseases.
- Some diseases spread quickly from person to person like flu.
- We should cover our mouth and wash our hands to avoid those viruses

8:09 PM

- There is too much trash.
- It makes the place look dirty.
- We need to be careful with how much trash we use.
- Every city should have recycling bins. It keeps the city cleaner. The people also make less trash and the trash doesn't go to the landfills.

You are giving a presentation to your classmates. You want to clarify some of your ideas. What phrases would you use to give clarification?

lenovo

You and your classmates are having a group discussion. You want to help others to participate in the discussion. What do you say?

lenovo

-You and your classmates are having a discussion.

-What do you say to give your opinion?
