Manal and her brother are visiting their aunt at her house at the beach. It's a beautiful summer day. Manal is building a giant sand castle this morning. Aunt Fatima is taking pictures of the sand castle to send to Manal's parents. It's a great big sand castle. Later this morning, Manal and her aunt are going swimming in the ocean. It is fun to jump with the waves. Then, they are going in the house and eating sandwiches for lunch. Manal wants to play on the beach this afternoon, but her aunt is telling her it's too hot to go outside without a hat on. Manal doesn't have a hat. Aunt Fatima is telling her not to worry; she can wear one of her hats. Manal is trying on four hats. The pink one is really pretty, but it has a big bow in the back which is too long for Manal. The green hat is too fancy for her. She doesn't like that hat at all. The blue one is nice, but it has an ugly bird on it. Then Manal sees a brown hat with a yellow ribbon on it. That hat is made of straw. It is a perfect hat for the beach. It's too big for Manal's head, but she doesn't care. Manal is trying on the hat. It's a great hat. Manal is going to enjoy playing on the beach this afternoon.
