This diagram features two identical black symbols at the top, resembling a stylized '3' or a similar character. Below them are four red vertical bars of varying heights, arranged from tallest to shortest from left to right. To the left of these bars are four blue squares, also of varying heights, arranged from tallest to shortest from top to bottom. The entire diagram is enclosed in a red border.

This diagram features two different black symbols at the top. The left symbol is identical to the one in the first diagram, but the right symbol is a different, more complex character. Below them are four red vertical bars of varying heights, arranged from tallest to shortest from left to right. To the left of these bars are three blue squares of varying heights, arranged from tallest to shortest from top to bottom. The entire diagram is enclosed in a red border.
