Passage 1

" I know a lot about job-hunting."- Betsy

A few years ago, I lost my job as a manager in a factory. I was so unhappy. I was 38 years old, out of work for the 100th time, and without much hope. Then, one day I was thinking about the question, "What do best?" and the answer came to me. I had been out of work many times, so I knew every manual about how to find a job or change a career. I must have been to over 100 interviews in my life, made 1,000 phone calls asking for jobs, and sent out a resume to almost 2,000 companies. When I looked at my skills, I saw that my best skills were job-hunting skills! So I started my own company, Career consulting. It's a business that helps people find jobs. I hired two people to work with me. The three of us work together on everything, but I'm the boss. It's great. I love the work, and I make a lot of money!
