5. technology

Activity E, p. 110

Answers may vary. Possible answers:

Wendy Smith:

1. I think that students shouldn't be allowed to use the Internet for assignments.
2. I feel that students shouldn't lie because it only ends up hurting them.
3. In my opinion, cameras in classrooms are a good idea.

Don Quinn:

1. Students should be able to use the Internet for assignments.
2. Students shouldn't copy reports from websites.
3. Schools shouldn't put cameras in its classrooms because it's a waste of time and money.

SAY WHAT YOU THINK

Say What You Think, p. 110

Answers may vary. Possible answers:

1. Students are hurting themselves; they are missing a chance to learn something interesting; they need to learn that school isn't just about grades—they should study and work hard.
2. Cheating is a problem because students will pass courses without learning the material. / Cheating isn't a problem because most students only cheat on things that don't really matter.
3. No, because students are creative. and if they want to cheat, they will find a way to do it.

Answers will vary. Sample answers:

André—copied from sections of articles

Stephen—lied about job exp., wasn't mgr

Activity C, pp. 113

1. T
2. F; He copied small sections from several websites.
3. T
4. T
5. F; Stephen was a server at a restaurant.
6. F; He thinks he should get credit for the experience he has, but he doesn't truly have it.

Activity D, p. 114

Answers may vary. Sample answers:

1. reports
2. parts of articles from the Internet and put them together for a paper
3. copying someone else's writing and saying it's your own
4. his work experience
5. he had a lot of responsibility

Activity F, p. 114

Answers will vary.

SAY WHAT YOU THINK

Activity A, p. 114

Answers will vary. Possible answers:

1. Copying a report is wrong because you're stealing intellectual property. Giving false information on a résumé is wrong because your boss will hire you without knowing your true abilities. (Students may also say that these actions are not wrong if they're not done to excess.)
2. Yes, it is always better to be honest. It is wrong to lie. / No, it is not always better to be honest. You could hurt someone's feelings by always being honest.
3. One example is telling your best friend that her new shirt looks great on her.

Activity B, p. 115

Answers will vary. Possible answers:

1. Yes, most people lie at least some of the time. / No, I think most people are honest.
2. People lie to protect their image, to make things easier for themselves, to protect others' feelings, to avoid confrontation, and for material gain.

3. Students may agree with these statements and say that small lies (or white lies) don't really hurt anyone. Students may disagree with these statements and say that people will appreciate being told the truth, or that succeeding honestly might take more work, but is more fulfilling.
4. Yes, I think it is possible to eliminate lying in our society. / No, I do not think it is possible to eliminate lying on our society.

VOCABULARY SKILL

Activity A, pp. 115–116
