questions in full sentences.

Fahad called the supermarket to order a few items. He bought some fruits and pineapple juice. He also bought some vegetables and organic eggs. The delivery man arrived at 11 o'clock. The delivery was an hour after he ordered. Unfortunately, two of the eggs were broken, so he received a refund. When the delivery man left, Fahad and his wife Amina went to a new restaurant called 'The Mexican Tongue'. They ordered a famous dish called the 'Arozz Rojo'. It was delicious. Amina asked for the recipe, but they said they couldn't give **it** to her. After lunch, Fahad went to work and his wife went to visit her friend, Aisha. She's a chef for famous people also known as celebrities. She wants Amina to come to work with her, but Amina wants to open her own restaurant next year.
