Light Initiative

ميادرة اللور

What is 'Light Initiative?

Light Initiative started with two people and now it .includes more than 350 volunteers

They voluntarily record school and college books for the benefit of the visually impaired people. They started recording the books of the 9th and the 12th grades; they also record university books and references. Their aim is to meet the visually .impaired people's actual needs whatever they are How do they work?

Usually, the visually impaired person who has the desire to study a curriculum or a reference, contacts the initiative administration and provides them with the books needed. Then, the book is divided into tasks for a number of volunteers to record them Social Media

They use a Facebook page and a YouTube channel. On the Facebook page they announce that they finished this book or this curriculum, and they use the YouTube channel to publish the recordings. These records are saved in mp3 format Service Cost

Their services are absolutely free; i.e. the volunteer is not paid, and it doesn't cost the visually impaired person anything. Anyone with a network can have access to their records

Volunteers need very simple things. They use mobiles for recording and laptops to do the montage. No professional tools are needed What's New C

Light Initiative's new project is turning the Syrian curriculum into Braille. This will help Syrian students who suffer from sight problems

Light Initiative's Target

Light Initiative is trying to bring some light into the visually impaired people's lives
