The Judgment is when Allah shows His servants their deeds, the good ones and the bad ones. People are not on the same degree at that time. Then they will be led to their final residence, either to Paradise or to Hellfire.

يوم الحساب وهو يوم يظهر الله لعباده أعمالهم الصالحة منها والسيئة في ذلك الوقت لا يكون الناس بنفس الدرجة سيكونون على ثلاثة أصناف. البعض يدخل الجنة بدون حساب والبعض يأتون كتبهم بيمينهم ويحاسبون بلطف ولكن البعض الآخر يأتون كتبهم بشمالهم ويحاسبون بشدة ومن ثم يقادون إلى مسكنهم الأخير إما الجنة أو النار .

كتب العديد من الكتب ككتاب "الأيام"

أمي هي الشخص الذي أعجب به كثيرا . هي تحبني وتهتم بي . عندما أقع في أي مشكلة أطلب منها المساعدة وهي تعطيني الكثير من وقتها، وتقوم بعمل كل ما باستطاعتها لتجعلني سعيدة . أمي دائما تنمنا اني بخير وتدعي لي بالصحة والسعادة . لا استطيع شكرها لجميع ما تقوم به من اجلي .

التدخين عادة سيئة جدا . العديد من الناس يدخنون كل يوم وهم غير مدركين أثاره السيئة . العديد من الناس يموتون شابا بسبب التدخين . هم ايضا يضيعون أموالهم في شراء السجائر . يؤكد الباحثون ان التدخين يمكن ان يسبب امراض خطيرة مثل السرطان وامراض القلب . الأطباء دائما يوصون المدخنين ان يوقفوا التدخين بقدر ما هو ممكن . يجب على كل مدخن ان يقلع عن الدخين لكي يبقى صحيا ورشيقا .

الهاتف النقال اختراع مهم جدا في العالم . ربما كل الناس يستخدمونه في أعمالهم اليومية ولكن بعض الناس يستخدمونه للتسلية ولعب الألعاب . هم يضيعون وقتهم وينسون أعمالهم . الهواتف النقالة أيضا تؤدي إلى الصداع والاضطراب العقلي انت لا تحصل على نوم كافي لذلك لن تكون نشيطا طوال اليوم . انت لا تستطيع أن تمضي وقتك دون عائلتك وهذا يقلل روابط العلاقات بالنسبة إليك . شخصا أقول أنه يجب على كل واحد منا ان يستخدم الهاتف النقال بشكل باعتدال لكي يتجنب آثاره السلبية .

المدارس هي الأماكن التي تلعب دور هام في حياتنا من أجل التعليم . على أي حال يوجد بعض الاختلافات بين المدارس القديمة والمدارس الجديدة على سبيل المثال الطلاب في الماضي اعتادوا على المشي إلى المدارس بينما الطلاب هذه الأيام يستخدمون خدمات وسائل النقل . في الماضي كان هناك غرفة صف واحدة لكل الطلاب بينما الآن يوجد عدة غرف صفية في المدرسة في المدارس القديمة كان يوجد سبورات سوداء للكتابة عليها . بينما الآن الطلاب يستخدمون السبورة البيضاء . اعتقد ان المدارس لاتزال تملك تأثيرات ايجابية في حياتنا .

She withdrew to a remote place. The pains of childbirth drove her to the trunk of a palm tree. " I wish I had died before this, and had been forgotten and out of sight!" Mary said. She had known that she was going to be tested with the birth. Her people would not assist her, and they would not believe her story. After she was known as a devout worshipper among them, they now thought that she had turned into a bad woman. But a voice cried to her from beneath, "Don't grieve!" She was asked to shake the trunk of the tree towards herself, so that fresh ripe dates would fall upon her. Allah blessed her by giving her food and drink. Thus, she could eat, drink and rejoice. She went to her people carrying her child. They said,"O Mary! How could you do such a strange thing! Your father was not a bad man, nor was your mother an unchaste woman. That day, she vowed a fast, not to speak to any human being. Therefore, she pointed to him. Her people said: "How can we talk to one who is a child in the cradle?" The very first step that makes a Muslim positive and effective in society is the belief in God, the first pillar of faith. The numerous times in a day when a Muslim raises his finger and bears witness that there is no god but Allah and Muhammad is His prophet (PBUH) increase faith. It is something to be spoken in words, to be believed in within the heart, and to be put into action. Prophet Muhammad (PBUH) said that faith had seventy-odd branches, the greatest of which is to say, there is no god but Allah, and the lowest of which is to remove an obstacle from the road. In between, there are lots of actions that reflect real faith practically in the community. To believe in God is to believe that He is watching us in every second. Angels are other creatures that never disobey God, but we are created to choose our way. They are perfect examples for us to believe in the unseen.

Decide if the following sentences are True (30m) (T) or False (F):

Some people say that time is money, so don't waste either. But for Muslims time is life, so don't waste a second. God has provided us with the main tools to make use of every second in our life.

When we hear the prayer call and stand before God to pray on time with focus, we divide our day into perfect intervals to keep our relation with God solid and our life process fresh and lively. A Muslim who adjusts his life in accordance with the five daily prayers enjoys a perfect time management.

Weekly, Friday collective prayer, with its speech, strengthens the community relations. When Muslims meet every Friday in the mosque to listen to the orator on the pulpit conveying the message of Allah and then shake hands after prayer, they become closer to each other.

All these and other religious duties are practices to plan the Muslim's day, week, month and all his life.
