Read the passage and answer the questions below:

6

Farah is thirteen years old. She lives in Abha. Her best friend is Lura. Farah has one sister. Her name is Sara. Farah went grocery shopping. It took her 2 hours, so she was tired. Finally, she arrived at the checkout. There Farah realized her wallet was somewhere in her bag. **She** took everything out, even a TV remote. The cahier looked at her: 'Why are you carrying a remote?' he asked. Farah smiled: 'I took it from my sister Sara because she didn't want to go shopping with me.' Then Farah put her credit card into a reader. 'I bet you won't do it again,' said the cashier, and started taking away everything Farah wanted to buy. Farah was shocked: 'These are my things!' 'Not really', the cahier replied, 'you haven't paid for them yet'. 'Unless you have some cash on you, you won't be able to pay with this,' the cashier said, showing Farah a credit card reader with 'TRANSACTION REJECTED' on it. 'I think your sister has blocked your card. SO, Miss, have you got any cash?' Farah felt sad because her credit card didn't work.
