On March 27, 2013, John Sweeney, a plumber from Ireland, started a Facebook page called Suspended Coffees. His message was simple: Buy a cup of coffee for a stranger, because an act of kindness can change a life and make a difference. Eight hours later, the page had attracted more than 20,000 likes...

Suspended coffee is a tradition that comes from Naples, Italy, and dates to the 20th century.

When customers buy coffee, they also pay in advance for a cup to be given to somebody else; usually someone who otherwise couldn't afford it. This initiative was forgotten, but then it revived again in 2011.

That's when "Suspended Coffee Day" started to be celebrated each December. You can buy it for anyone in need - no CV required.

Life in the future will be very different.

Futurologists predict that life will probably be very different in all the fields of activity , from entertainment to technology. Some people have imagined that life in the future would be so easy and relaxing, while others have seen that it would be worse and more difficult. I think that in the future we will have a more comfortable life. This will be obvious in all aspects of life.

First, as for education, people will have better education because of technology. E-books will replace traditional books, robots will replace teachers, and students will not have to go to schools every day as they will study at home through on-line teaching. So even absent students will learn.
