.....

20. He has to eat in the classroom.

.....

1. Read and do the tasks below.

In Britain, children go to nursery school when they are three. All children have to go to primary school when they are five and then to secondary school when they are eleven. They have to take special exams when they are eighteen to go to university.

However, in Syria children go to nursery school at the age of three. All children have to go to the basic school when they are six. Then they begin the secondary school at age of fifteen. In order to go to university, they have to pass special exams.

A. Write true (T) or false (F):

- In Britain, students go to primary school when they are six.()
