Reading lesson 2

Dear Nabil,

How are you? I'm fine. Here's an email in English. It's good practice for you and me! I have classes in English at La Guardia Community College. I'm in a class with eight students. They are all from different countries: Japan, Brazil, Switzerland, Poland, and Italy. Our teacher's name is Martin. He's very nice. He is a very good teacher. I live in an apartment with two American boys, Bobby and Matt Kass. They are brothers. Bobby's twenty years old. He is a policeman. Matt's eighteen. He is a student. They're very friendly, but it's not easy to understand them. They speak very fast!

New York is very busy, very exciting, but very expensive! The subway isn't difficult to use and it's cheap. It's very cold now but Central Park is lovely in the snow. I'm very happy here.
