The second photo is of our class with the teacher. Our class is the ⁶ biggest in our school. There are 30 students! The other classes are ⁷ smaller with about 20 students in each one. In this photo, we are in our math class. I like the school subjects we study, but math is ⁸ more difficult than geography or history. Sometimes I don't understand math, and I think I am the ⁹ worst student in class! But Asma always helps me because she is ¹⁰ better at math than me. What about you? Who is your best friend at school?
