

**Sample 102 Final Academic Track Writing Assessment
Module 1, 2018
Answer Key**

Part One: (10 points total)

Students are required to use:

such as (x1)	also (x2)	however (x1)
for example (x2)	and (x3)	like (x1)

They cannot use “however”, “such as”, or “like” more than 1 time.

They cannot use the other words more than 2 times, except for “and”.

“And” can be used 3 times.

Some words like “such as” and “like” can sometimes be used interchangeably. When this is possible, it has been noted in the answer key below. **HOWEVER**, if the student uses the word more than the allowable times, it is **MARKED WRONG** even if it could be “possible” to use the word.
