Listen to the audio carefully then choose the correct answer:

The bus driver

Ahmed is 59 years old. He has one son his name is Fahd. Ahmed has recently found a job as a bus driver in Jeddah, Saudi Arabia. He works the morning shift from 5:30 to 1:30 and sometimes he has the evening shift finishing around 8 pm. His bus number is 9, which runs north and south a long Al Andalus road. His route is busy, but it is in a nice part of town. Ahmed likes his job very much because he meets lots of people. He works three hours on Sunday, and he has the day off on Friday. He usually spends Fridays with his family or play golf with his friends Omar and Yasser. Next year, Ahmed will be 60 and he is thinking of retiring. His wife wants him to work a little longer because they still owe money for the car they bought. Ahmed has worked hard for the past 40 years, and he wants to retire as soon as possible. He is not worried about money, because his son will help him to pay the car.
