

استراتيجية النرد لمراجعة الحروف ..

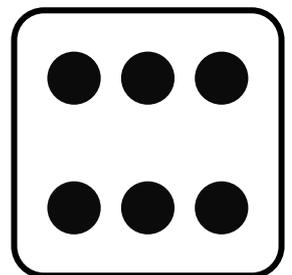

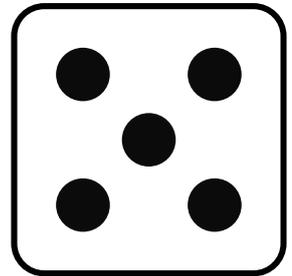

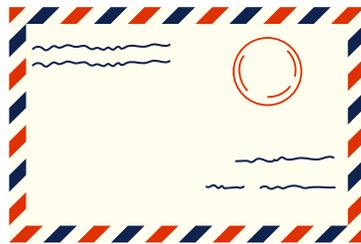

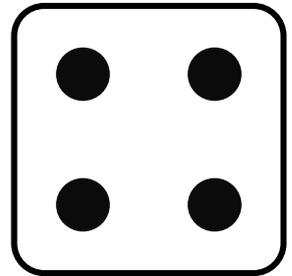

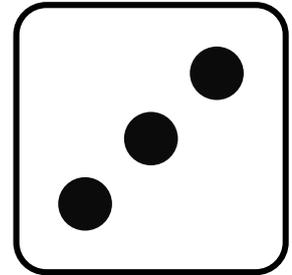

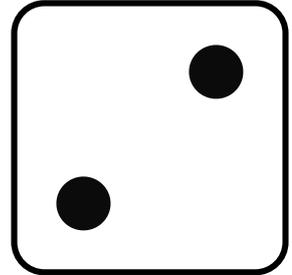

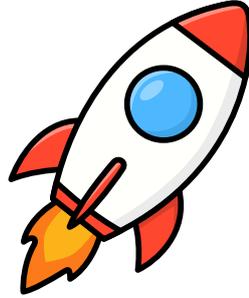

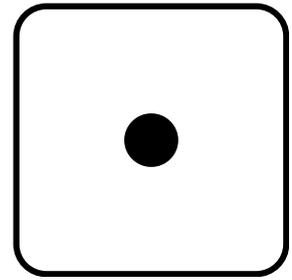

استراتيجية النرد لربط الحرف بالمدلول  تعتمد على التعلم باللعب من خلال رمي الطفل للنرد ثم مطابقة عدد النقاط مع الصورة الموجودة في اللوحة، وبعدها يذكر اسم الصورة ويحدد الحرف الأول وينطق صوته بوضوح ثم يكتبه .. هذه الاستراتيجية تعزز الوعي الصوتي، وتنمي مهارة المطابقة والتركيز، وتربط بين العدد والصورة والحرف بطريقة ممتعة وتفاعلية. الطفل هنا لا يراجع الحرف بشكل مباشر بل يصل إليه عبر البحث والاكتشاف مما يثبت المعلومة بشكل أقوى ويجعل التعلم أكثر حماسًا وتشويقًا داخل الصف

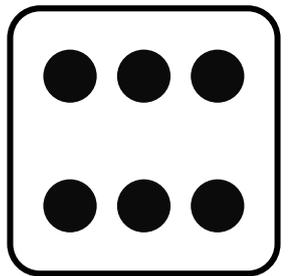

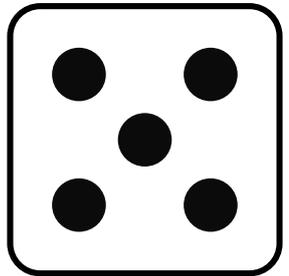

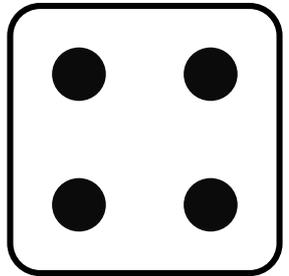

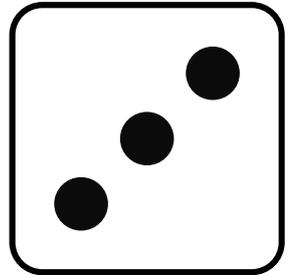

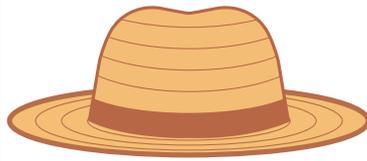

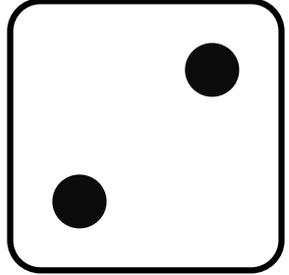

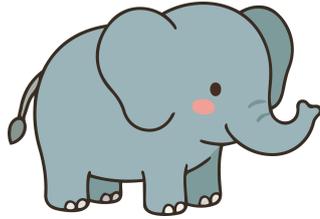

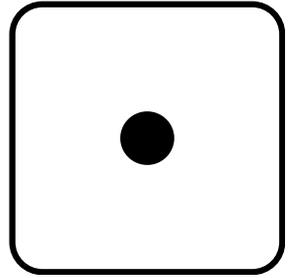

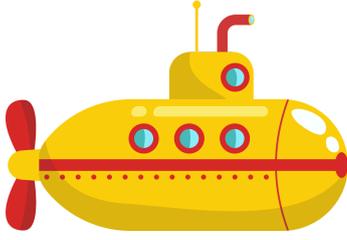

المعلمة: سماهر الحربي ..
