

1-Write an email to your classmate telling about a problem in your class and give your opinion to solve it.

Dear Salma

How are you ?

Any news?

Unfortunately I failed the English exam again.

I really need help to improve my language, so I joined the English club.

I hope I can find more time to use English and overcome my weakness in it.

Looking forward to hearing from you.

take care.

Sally.

4-Write about a previous experience that you learnt from.

One day, I was coming back home from school. I was walking alone when I felt something strange ; Somebody was following me . I wanted to look behind but I felt afraid, so I hurried up. When I was near my house, I stopped and looked back. I saw my brother laughing at me. I really felt angry and shouted at him, but he ran away .

5-Write about advantages and disadvantages of social media.

Social media enables us to stay connected to our friends and families all the time. We can talk, see each other and even share good moments together no matter how distant they are. It helps us to exchange information and improve our learning skills. On the other hand, some people spend much time on the Net, and may also use social media to trick others through fake accounts. This becomes dangerous. It's a fact that now we live with social media . We can't ignore it, but we can control using it.
