Tourism in France

Tourists have different reasons for choosing a country for a vacation. Some tourists want to relax. They may go to a beautiful beach. Some tourists want to experience nature. They may go hiking in the mountains. Other tourists want to see a historic site, like the Great Wall of China. Finally, some tourists want entertainment. They go to theme parks, like Disneyland, or to a city with live theater, like London.

France has all of these. It has beautiful beaches in the south along the Mediterranean Sea. It has places to ski and hike in the Alps mountains. It has many historic sites to visit, like the beautiful old city of Carcassonne, which has high stone walls around it. Because French food is famous everywhere, some people come to France just to eat!

And of course, Paris is the capital of France. Paris has two million tourists love. The first is

Complete the dialogue with the correct words from the word bank. You do not need to use all the words.

abroad discover improve benefit attitude reduce connect with stress positive

Interviewer: So I see you're interested in the program in Italy this summer. Why do you want to study abroad ?

Seth: I really want to discover the world, and I think this is a great opportunity.

Interviewer: A lot of students compete for this program. This summer we actually have to reduce the number of students we can take. Why do you think you are a good choice?

Seth: I think I have a good attitude . I'm open to new things and I connect with people very easily.

Interviewer: Both of those things are very important. It can be stressful to be in a new place. It helps to be positive and out-going. One benefit of the program is meeting new people from other countries.
