## Question No. 1

Which sentence does not support the main idea of the following paragraph?

There are many keys to running a successful business. First, it is important to be sure that your business is in the right location. You want enough people to come and shop there. Many businesses fail in their first few years because they are in a poor location. A good advertising plan can also be helpful. Besides that, you must be sure that the prices are not too high or too low. There is a big increase in the prices of electric machines nowadays. If you do everything right, your business can be a big success.

## Question No. 1

Which sentence does not support the main idea of the following paragraph?

There are many keys to running a successful business. First, it is important to be sure that your business is in the right location. You want enough people to come and shop there. Many businesses fail in their first few years because they are in a poor location. A good advertising plan can also be helpful. Besides that, you must be sure that the prices are not too high or too low. There is a big increase in the prices of electric machines nowadays. If you do everything right, your business can be a big success.
