My favorite photo is of my family in the park. We often take photos in the park, but this photo is special. You can see my parents. They're having a picnic. My two cousins are in the photo with their soccer ball. Well, I think it's theirs; they always play with it in the park. I like them a lot. They're kind and helpful! How often do we go to the park? In the summer, we always go to the park! We sometimes think the park is ours, and the soccer balls are, too! My aunt and uncle are in the photo, too. My Aunt Ashley is very chatty, and she's talking to a woman. My Uncle Jeff is sitting in a little boat fishing, but it's not his. I think it's a friend's boat. My sister is sitting behind my grandpa. She's reading a book. She's not very chatty and a bit shy. My granny is with my little sister, her youngest granddaughter. You can see me in the photo. I'm eating ice cream. All my family is in the photo, and I love it!

Cleanliness

Washing with soap and hot water removes germs and bacteria from your hands . This helps you fight infections like the flu or bad cold . On the other hand , dust makes the air dirty and is not healthy for you . So , household chores like sweeping the floor can help to keep the air clean . In school , a clean classroom stops bad smells and keeps the air clean . Some studies say a clean classroom can help you study better . Finally when we throw the trash in the street , mosquitos and flies sit on it and carry germs in the air .

1- Why is washing our hands important?

.....

2- What does dust do to the air?

.....

3- How can we stop dust?
