Trip in the outdoors

3-Reading Short Sentences

Games are a fun way for people to spend their free time, and there are many types of games such as video games, board games, and outdoor games. Some people like to play games alone, while others enjoy playing with friends or family. Video games are very popular today, and people can play them on computers, phones. Many video games have exciting stories and challenges. Board games, like chess or Monopoly, are played on a table and often require thinking and planning. Outdoor games are also important because they help people stay active and healthy. Sports like football and basketball are good examples. Playing games can make people happy, improve their skills, and help them learn teamwork.
