Practice: Unit 7 Practice	 Reading Comprehension: Exploring Pompeii 	

Read the article. Then choose the correct words or phrases to complete each sentence.

Exploring Pompeii

Pompeii is an ancient¹ city in Italy. More than 2,000 years ago, a very strong volcano² destroyed the city. After that, no one saw the city for many years. Then, in the 1700s (about 1,700 years later), workers found the buildings and streets of Pompeii under the ground. They worked hard to make Pompeii beautiful again. Now, Pompeii is a popular place for international tourism. Every year more than two million people visit Pompeii. They walk along the streets and look at the ancient buildings. They look at old items like pots and jewelry.

Tourists today go sightseeing in Pompeii. They enjoy learning about the ancient city. Pompeii is very large. Before the volcano happened, about 20,000 people lived in the city. They had a large food market, a hotel, restaurants, and an outdoor theater. There were many shops. Pompeii was next to the sea, and many ships visited. The ships carried things
