

A. Read the text and do the task below :(3m)

Tom is a young man from Britain. He worked as a swimming coach until he had an accident. Three weeks ago, he dived into the cool water and hit his head to the floor. He couldn't get out of water. He stayed for a minute until his friend rescued him, and took him to the hospital. He stayed in the intensive care unit. Everybody was sad because the doctor said that Tom couldn't respond to the treatment. Everybody wished he would be well and waited. One day, Tom suddenly opened his eyes. The nurse, standing next to his bed, was surprised. She called the doctor right away. Everyone was happy. The doctor couldn't believe his eyes. This was a miracle.
